*This is an invaluable opportunity for you to secure a full complimentary registration to attend BeefEx, Gold Coast QLD, 11 – 13 October 2016.*

The Australian Lot Feeders' Association, Meat & Livestock Australia and ALFA Associate Members are providing a number of scholarships to students undertaking tertiary studies in an agricultural related field to attend the feedlot industry's premier event, BeefEx.

## Eligibility

The scholarship will be awarded to students who show an interest in lot feeding, and/or associated fields. The student will be selected on the quality of their submitted answers and their relevancy to our sponsors.

The scholarship will cover a full conference registration. This is inclusive of the two day conference and networking functions and dinners.

*Please note that all other expenses incurred with attending the event, including travel & accommodation expenses are at the scholars own expense. Twin share accommodation can be arranged to bring down the cost of accommodation – this can be discussed once you find out if you are a successful candidate.*
